

Mandy Kennedy
Trustee of Batley Multi Academy Trust (BMAT)
Chair of BMAT Finance Sub-Committee

I graduated from Huddersfield University in 1991 and joined Cummins Turbo Technologies. I have held leadership roles in Plant Operations, Materials, Program Management, European Purchasing, Global Logistics, Six Sigma improvement and Executive Director roles in Quality – Global Turbo Division.

My current position is Director Global Manufacturing Quality – Cummins Inc.

My qualifications comprise a BEng (Hons) Engineering from the University of Huddersfield, Honorary MSc University of Huddersfield, Finance and Accounting for Managers Cranfield School of Management and MBA. Internally to Cummins I am a Certified Six Sigma Black Belt.

I am passionate about diversity and people development. I sponsor the Diversity Council on the Huddersfield site and mentor employees at all levels in USA, UK, India and China.
